Hello Fall Teaching and Learning!

My fellow BME & CMT Teachers,

thank you for your resilience and all your efforts in keeping education at the top of your priorities despite difficult times. While everyone has different needs, your selfless efforts don't go unnoticed! Good luck this school year!

Please enjoy this issue with great updates and resources. Don't hesitate to reach out if I can be of help! Take care and stay safe!

Best always,

Elena Sobampo

A Good Read!

In the Age of Coronavirus,
Career-Tech Ed is More
Important than Ever

Career Technical Education (CTE) is more important than ever in today's rapidly changing world. Former CTE students are heroes serving on the front lines during this global pandemic. They are healthcare workers pulling 16-hour shifts and treating our loved ones. They are manufacturing employees working tirelessly to provide life-saving supplies to hospitals, senior care facilities and grocery stores. They are educators delivering the best education possible to their students online. They are scientists racing to find a vaccine. And they are transportation, distribution, and logistics professionals working day and night so that we all have the supplies we need. [Click to read more...](https://www.medium.com) www.medium.com

U.S. Presidential Scholars Program in CTE

The U.S. Presidential Scholars Program in Career and Technical Education will recognize 20 outstanding Career and Technical Education students in 2020. Each state can nominate 5 candidates for recognition for excellence in career and technical education through the Chief State School Officer (CSSO-Superintendent of Public Instruction office). According to the guidance sent from the US Department of Education, **"All high school seniors who are participants of a CTE program graduating between January and June of 2021, who are U.S. citizens or legal permanent residents and who attend public, parochial, or independent schools, as well as those who are home-schooled, are eligible."**

Arizona CTE students who have completed a full sequence of a CTE program or are enrolled in the last course of the sequence of a CTE program and meet the other requirements are eligible to apply. For more information and all necessary documentation, please visit: <https://www.azed.gov/cte/presidential>

Fall Leadership Experience!

Introducing...

FLE

Fall Leadership Experience

The Arizona CTSOs have partnered with the Arizona Department of Education, to create the Fall Leadership Experience (FLE). FLE is a resource that provides videos and activities for students that focus on the Arizona Professional Skills standards. FLE is intended for classroom use, whether virtual or in person.

When the platform opens **October 5th, 2020**, advisors will be able to access videos (with student activities included) that are organized by the Arizona Professional Skills standards. Click on the CTSO
